Klove has been a great radio station for both me and my family. We listen to it everywhere for hours a day. Klove is the only station in the area that plays quality, contemporary Christian music 24 hours a day. It has been an excellent witness for our other friends and family members and losing that station would be a great loss for the entrie Omaha area. There aren't a lot of stations any more that actually provide encouraging content and KLOVE is one station that does. Keep them here!!!
